50X1-HUM

1. It is reported that Bulgaria had protested at the Council for Mutual Economic Aid meeting held in Sofia on 25 - 27 August 1949 against a complete blockade being applied to Yugoslavia. She felt that Yugoslavia would retaliate by closing its routes to transit railroad traffic and also might possibly close the Danube.
2. Bulgaria relies entirely on the railroad traffic across Yugoslavia and the barge traffic on the Danube for her imports from Czechoslovakia and Hungary.
3. Bulgaria requested that a solution to these difficulties be found before a complete blockade was put into effect.
4. A Committee of Bulgarian Council Ministers is studying this problem.
